

ABOUT US

(English Version)

mumHome

The very first UAE-Myanmar/Myanmar-UAE E-commerce platform was launched in 2022 under mumHome.store LLC in order to create Burmese largest community market for Myanmar and UAE.

The mumHome App & Website is intended for anyone regardless of age with zero investment to sell or buy various products such as food, beauty products, clothes and so on. It is the junction where buyer and seller directly can buy or sell in an easy, fast and affordable way without any restriction as your own store. Start up your dreams with mumHome to sell high-quality products from Dubai to Myanmar, as well as from Myanmar to distribute Burmese traditional foods, local-made clothes and other local products in UAE.

Our Vision

To create the largest E-commerce Platform aiming to help any one far away from their home, in addition to trade various products with zero investment in Myanmar and UAE back and forth in an easy, safe and fast way on the mumHome E-commerce Platform.

Our Mission

- To be able to build a warm community as mumHome where people help and lift up each other
- To be able to start up a new business with no investment in Myanmar and UAE.
- To be able to find a second income and extend the existing business for Myanmar people.
- To be able to buy Myanmar products easily and safely in UAE.
- To be able to buy UAE products easily and safely in Myanmar.

Our Core Values
